

My Place on the Map

Interactive Flipbook

Materials Needed: Scissors, Glue, Pencil with eraser, and crayons or colored pencils

Instructions: Print onto cardstock or white copy paper. Print at 100% to ensure size is accurate. Each page has two copies. After printing cut down the middle with a paper cutter. Each student should receive 6 half pages

- Me
- Town
- County
- State
- Country
- Continent

Students will draw and write the name of each spot or place on the map that tells where they are. This should be a teacher guided activity, with words spelled out for students. This activity should be used with a map and/or computer that could display different maps and locations.
